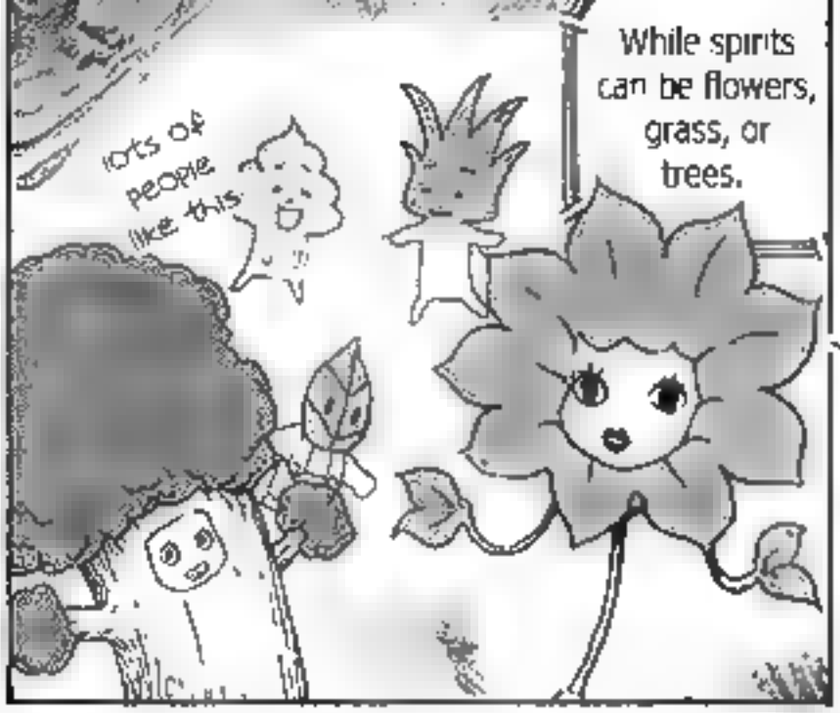
Hello! Welcome to "Second Life"!
IS IT NOT WORK-ING?
WHY'S IT ALL DARK?

2
!

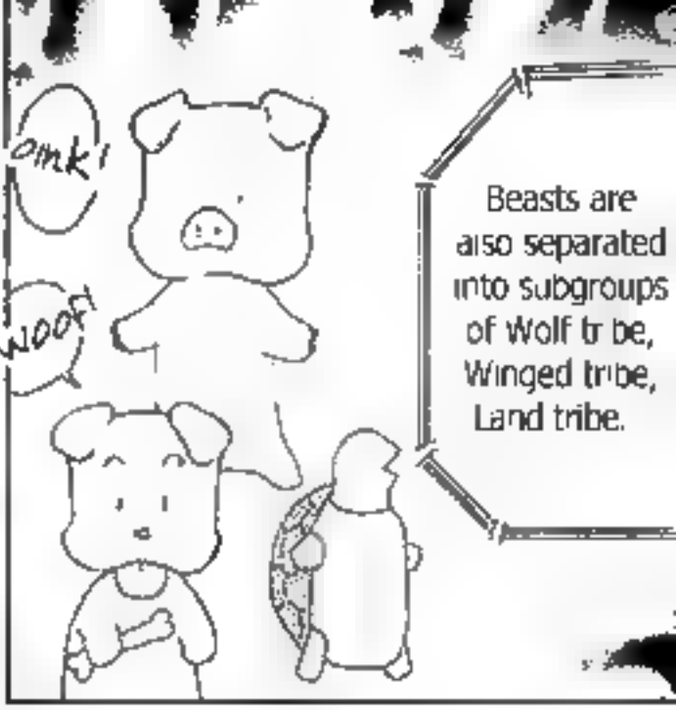
From now on, you w l be a.to-matical y red rected to the game when you put on the client!
Hello! This s your first time entering the game. Please hold on...
I wil be screening and scanning you.
BZZZZZ+
WHY NOT MAKE A HANDSOME GUY AND I GIVE SOME EYECANDY FOR uS GPLS
COULD IT BE THAT THE COMPANY DIDN'T THINK THERE WOULD BE GIRLS PLAYING THIS GAME?
TCH! A BEAUTY AGAIN!
BZZT+
Once created, your race, name, and appearance cannot be changed.
Allow me to remind you before you create your char-acter
you may only create a character once
Scanning Complete. You may now create your character

Anyone who dies will be reborn in town
Penalty is a decrease of one level.
WHAT HAPPENS IF WE DIE?
DOES THAT MEAN WE CAN'T PLAY ANY MORE?
To preserve Second Life's realism,
Everyone is limited to one character only
ONLY ONE CHARACTER?
WHY?
Please begin creating your character!
Then.

The following races include humans, elves, nocturnal species, midgets, demons, hairymans, beasts.
First, please select your race of choice,

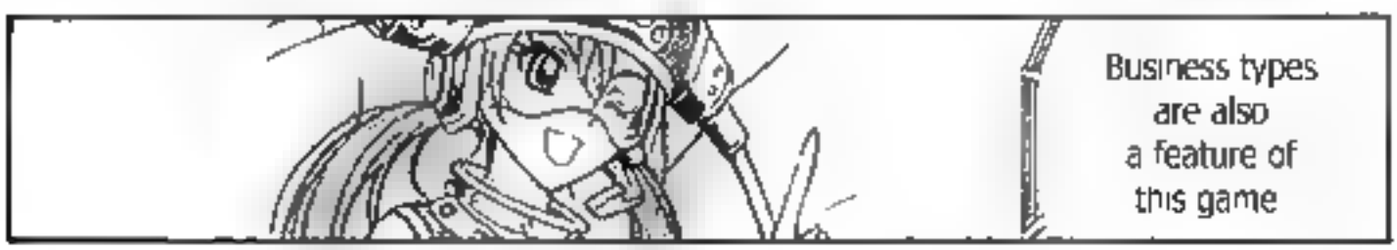


lots of people like this
While spirits can be flowers, grass, or trees.



oink!
woof!
Beasts are also separated into subgroups of Wolf tribe, Winged tribe, Land tribe.

WHAT A BUNCH OF MESSED UP RACES...
OH MY... GOD... WHAT KIND OF SITUATION IS THIS?



Business types are also a feature of this game

...
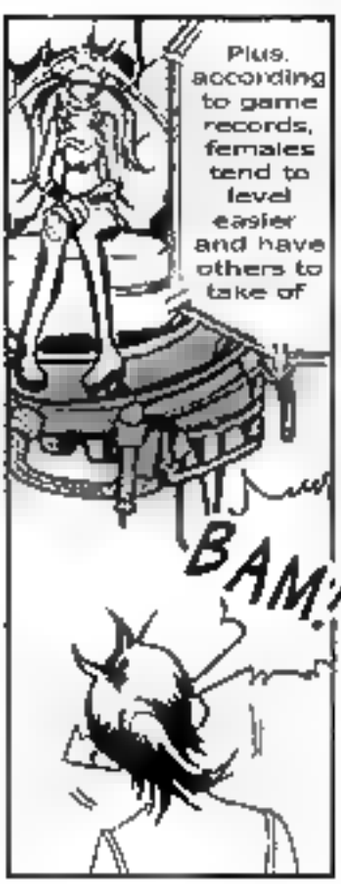
GIVE IT UP NO MATTER WHAT WOMEN STILL HAVE OTHERS TO PROTECT THEM!
THEY HAVE OTHER MEN TO GIVE THEM EQUIPMENTS AND WHAT NOT!



Plus, according to game records, females tend to level easier and have others to take of
BAM!

Basically, a character is made based on the actual appearance of the player, the gender as well .
...

PINYIN/DIRECT TRANSLATION

a. Prince' was in the title so thought it'd be better to stick with it XD

b. we changed it to pinyin. names like Prince Lol:Dragon. Ugly Wolf Doll. etc will be changed to Wangz Xiao. ingNiu. Xiu Lang Wawa .might not be the actual pinyin but along those lines. Which. if we use pinyin the meaning of the name would also be unknown(plus it just sounds weird in pinyin XDD.

c. Japanese honorifics was used because I don't think readers would be used to Ge' for big brother jie for big sister etc.

ABOUT THIS CHAPTER

a. The 'hurts' part. Not exactly what she raws meant it to be. Just a note since I had no idea how to rephrase it. X. X The phrase was meant to be a mix of 'Death is more painful than thought' and 'Death is not just a normal sort of pain' So er yeah. x

Blinding!

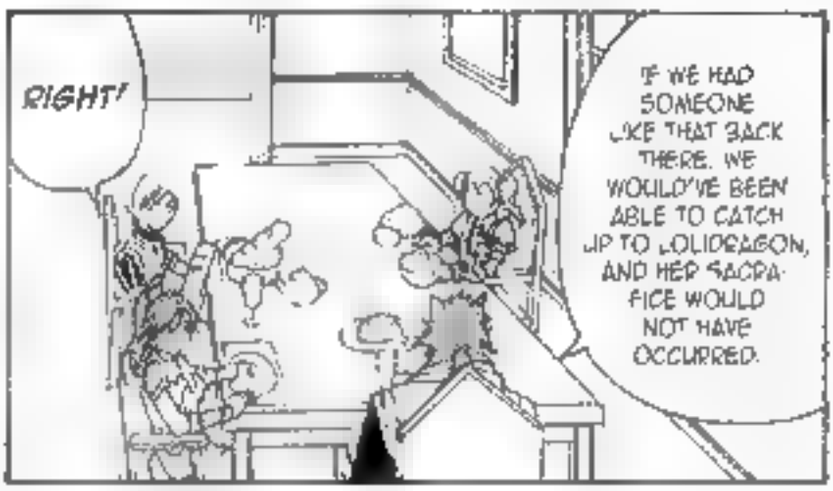
I AM SOOOO PISSED RIGHT NOW!

I THINK WE'RE MISSING AN IMPORTANT CHARACTER IN THIS TEAM — A LONG-RANGED ATTACKER!
THE CHEETAH BOSS IS JUST A MEDIUM LEVEL MONSTER EVEN IF WE WERE UNABLE TO DEFEAT IT WE SHOULDN'T HAVE BEEN COMPLETELY DEMOLISHED LIKE THAT

THAT MEANS WE NEED AN ARCHER OR A WIZARD!



RIGHT!
IF WE HAD SOMEONE LIKE THAT BACK THERE, WE WOULD'VE BEEN ABLE TO CATCH UP TO LOLIDRAGON, AND HER SACRIFICE WOULD NOT HAVE OCCURRED.

THEY ARE ESSENTIAL TO OUR TEAM
THOSE TWO PROFESSIONS HAVE SPECIAL CHARACTERISTICS
YES, AND I HOPE WE ARE ABLE TO FIND BOTH

EQUIPMENT UPGRADES?
THAT ERR

PRINCE DO YOU HAVE ANY OPINIONS ON THIS?

WHY DON'T WE GO TO THE ADVENTURER'S CAMP?
AFTER WE FIND SOMEONE WE CAN FORM A TEAM RIGHT AWAY
THAT WOULD BE A GOOD IDEA.
